Where do you work and what is your role there?

I work for Lennard Commercial Realty as Senior Vice President in office leasing as my primary role and investment as secondary.

What areas of commercial real estate do you specialize in?

I specialize in office leasing in the financial core, and fringe areas of downtown east and west, and I dabble in Midtown.

What do you find is most challenging or satisfying in your role?

Most satisfying for me is finding the perfect solution for my clients, whether it is for landlords or tenants.

How long have you been a CREW member, and what do you get most out of being a member?

I have been a member since the founding year and enjoy some fabulous relationships that I have made with CREW members here in Toronto, Montreal and Calgary.

I would like CREW members to call me when they need...

to find answers to their office questions or any requirements.
