karen.sweet@accenture.com

Nomination Process

1. Who Can Apply

All 2022 Toronto CREW members who are in the **Active Membership** (more than five years industry experience) category are eligible for nomination or to apply directly.

2. Nomination and Application Form

The **Nomination & Application Form** lists the position(s) currently open for consideration. Please complete all areas of the **Nomination & Application Form** before submitting.

3. Nominating Committee Members

The **Nominating Committee** is a special committee that is established bi-annually. It is comprised of the Past President, President and President-Elect, and three members-at-large. The members who make up the committee cannot be considered for leadership positions.

4. Nominating Committee's Role

The **Nominating Committee**:

- Review nominee and applicant qualifications.
- Determines the level of interest to serve.
- Requests further information about nominee and applicant qualifications and experience. in writing and through interviews.
- Solicits nominee and applicant comments from Members.
- Prepares a slate containing one name for each position.

The **Nominating Committee** considers those who have demonstrated their interest in serving and have an understanding of goals and purposes of Toronto CREW, typically gained from working on Committees, or having fulfilled a Vice-Chair, Chair or Director role, or is in a professional position that provides qualifications for a particular role. The **Nominating Committee** presents the slated Leadership to the Board in a timely fashion.
