Where do you work and what is your role there?

I am a commercial leasing lawyer at the law firm, Daoust Vukovich LLP.

What areas of commercial real estate do you specialize in?

I practice all areas of commercial leasing law. My practice includes acting for commercial retail, office and industrial landlords and tenants in a variety of leasing matters.

What do you find is most satisfying or challenging in your role?

I enjoy the reward of helping our clients get their deals over the finish line while protecting their interests along the way.

How long have you been a CREW member and what do you get most out of being a member?

I became a Toronto CREW member in November, 2019. I look forward to getting the most out of all Toronto CREW has to offer and meeting the other members of this great community!

I would like CREW members to call me whenever they need . . .
