Sara Maltese

Project Coordinator

Dream Unlimited

647-401-5311

<mailto:smaltese@dream.ca>

Where do you work and what is your role there?

I work at Dream, one of Canada's leading real estate companies. As a Project Coordinator, I oversee the execution of construction work, including contributions to the design process, coordination with tenants and tenant design teams, managing landlord work to satisfy lease obligations, and coordination with architects, engineers and contractors throughout the duration of each project.

What areas of commercial real estate do you specialize in?

I primarily specialize in office, retail and restaurant space in downtown Toronto. I work on the construction team for Dream Office REIT, which is a Dream publicly listed fund focused on owning, leasing and managing well-located, high-quality office properties.

What do you find is most satisfying or challenging in your role?

It is a challenge to manage expectations and accountability for all entities involved in a project, but it is totally satisfying to see a project team come together to complete a successful project!

How long have you been a CREW member and what do you get most out of being a member?

I joined Toronto CREW in January 2020 and look forward to meeting new people in the commercial real estate industry!

I would like CREW members to call me whenever they need . . .

...to brag about an exciting new development / construction project or to talk through obstacles on current projects. I'm all ears!
