

My Toronto CREW PROfile

Jaime Bell

Where do you work and what is your role there?

I am a lawyer working at Robins Appleby LLP in our commercial real estate group.

What areas of commercial real estate do you specialize in?

Commercial purchase and sales, leasing, condominium development and mortgage financings.

What do you find is most challenging or satisfying in your role?

On any given day, I am working on a wide range of files. I've learned to be adaptive, as I often have to learn new areas of law or my client's business quickly. Often clients will call to discuss an idea they have or potential deal in the works. It shows they view you as an important part of their business, rather than simply as their counsel. It's a great feeling.

How long have you been a CREW member and what do you get most out of being a member?

I only recently joined CREW and am already impressed with the warm welcome I have received. I look forward to meeting everyone, and being a part of this dynamic community of women in Toronto.

I would like CREW members to call me whenever they need . . .

Support, encouragement, to bounce idea's around, anything!
