### **Where do you work and what is your role there?**

I am the founder and president of Bortolotto Design, a Toronto based architecture and interior design firm. I work closely with clients to deliver designs that are meaningful, memorable, unexpected and uplifting.

### **What areas of commercial real estate do you specialize in?**

Bortolotto specializes in workplace design with over 100 completed projects for the public and private sectors. Our clients include professional offices, financial institutions etc., as well as municipal governments throughout Ontario, Infrastructure Ontario and PWGSC. We have worked with various project management companies such as MHPM, CBRE and SNC.

### **What do you find is most challenging or satisfying in your role?**

The most satisfying aspect is working with clients who share a common belief that architecture has an enormous impact on our quality of life and its ability to enhance happiness, health and productivity.

### **How long have you been a CREW member and what do you get most out of being a member?**

I am a new member and am looking forward to meeting new people at the Toronto CREW events or over a glass of wine or a cup of coffee!!

### **I would like CREW members to call me whenever they need . . .**

.....architectural and interior design services. While searching for a new space, we can help you with test fittings and/or feasibility studies for tenant improvements to better understand if the space you are looking at is compatible with your requirements and goals. We can provide consulting services for advice before entering into a full design service contract.
