

2015 Scholarship Winners

Launched in 2006, the Toronto CREW Scholarship Program awards scholarships to deserving female students enrolled in a degree program specializing in real estate or a program that would prepare a candidate for a profession found within the commercial real estate industry.

Scholarship recipients are invited to participate in a range of Toronto CREW functions and events, which allows them the opportunity to network with some of the industry's top executives across a range of real estate disciplines. Upon graduation, scholarship recipients are encouraged to apply for Toronto CREW's Mentorship Program, to support them as they develop their careers in the real estate industry.

Toronto CREW wants to extend its commitment to supporting and influencing young women in entering the commercial real estate field.

We are looking to expand our institutional partners beyond those historically involved with this scholarship program. We look to continue our support of the commercial real estate programs offered at University of Guelph; Queen's University, School of Urban Regional Planning; York University, Schulich School of Business; and Ryerson University. In the future we encourage female students with an intent to pursue a career in commercial real estate to apply for our generous scholarship.

We received a variety of applications for 2014 and the selected scholarship winners were:

- Elizabeth Bang - Queen's University
- Marisa Banuelos - University of Western Ontario
- Stephanie Bonic - Ryerson University
- Joyce Chan - York University
