Where do you work and what is your role there?

I've been a real estate management professional with Oxford Properties Group for the past 14 years. In my current role as General Manager, Real Estate Management, I'm responsible for oversight of approximately 1.3M square feet of commercial office and urban retail in Downtown Toronto.

What areas of commercial real estate do you specialize in?

Commercial office real estate with urban retail components. I hold the Accredited Commercial Manager (ACoM) designation through IREM.

What do you find is most challenging or satisfying in your role?

One of the most challenging and satisfying aspects of my role involves leading teams to reach and exceed corporate, asset and customer service goals in an ever-evolving market.

How long have you been a CREW member, and what do you get most out of being a member?

I've been a Toronto CREW member for two years. I enjoy my outreach work as a member of the Foundation Committee and the learning and networking opportunities available through a variety of member events throughout the year. It's great to connect with members from different disciplines within our real estate industry..

I would like CREW members to call me whenever they need...

A cup of coffee and a chat about building teams, leadership challenges or community outreach initiatives.
