### Where do you work and what is your role there?

I am a Property Tax Analyst with StorageVault Canada Inc. StorageVault owns, manages, and rents self storage and portable storage space to individuals and commercial clients. Through our RecordXpress business, we also store documents, manage data, and provide shredding services to businesses, health care institutions, and government sectors across the country. With a national footprint of over 200 locations, we own and manage over 10 million square feet of space. We are Canadian owned and operated and are the fastest growing and only publicly listed storage company in Canada, having closed over \$1.4B in accretive acquisitions since 2015.

### What areas of commercial real estate do you specialize in?

I specialize in Property Assessment & Taxation. I am performing national property tax payment functions, develop and maintain a property tax database and assist in assessment appeals matters across Canada. I am also a licensed paralegal.

### What do you find is most satisfying or challenging in your role?

My role continues to change and expand every day, working with such a fast-growing company there are always new opportunities to contribute to the overall success of the business, and people to engage with and learn from.

### How long have you been a CREW member and what do you get most out of being a member?

I am a new member of CREW; I am looking forward to expanding my network through new connections with female leaders in the commercial real estate space.

### I would like CREW members to call me whenever they need . . .

Support with business decisions, a second set of eyes, unbiased and impartial feedback, or if they are looking for storage solutions across Canada, whether it be personal property, business property, or document management. I am always happy to lend a helping hand whenever needed!
