Where do you work and what is your role there?

I work as a lawyer in private practice at Chaitons LLP and specialize in commercial real estate.

What areas of commercial real estate do you specialize in?

Thankfully, I specialize in all areas of commercial real estate, including transactional work, leasing matters, mortgage financings as well as development (i.e. condominium) work.

What do you find is most challenging or satisfying in your role?

Since I work on a variety of files daily, I am constantly learning new things and broadening my skill set. Our firm has wonderful clients, many of whom I have developed close relationships with. I truly love what I do and thrive on servicing our clients as effectively and efficiently as possible.

I How long have you been a CREW member and what do you get most out of being a member?

I'm a new CREW member, however, not new to CREW. I've been fortunate to have attended many of its events in the past, including the annual golf tournament for several years. I look forward to meeting its members and developing new connections.

I would like CREW members to call me whenever they need . . .

anything! My 'door' is always open and I love speaking to other colleagues in our industry.
