Where do you work and what is your role there?

I work at Dream Unlimited as an analyst for the Office and Industrial REITS, specifically within asset management.

What areas of commercial real estate do you specialize in?

I currently work within asset management for commercial office and industrial spaces, ensuring our properties function at a high level.

What do you find is most satisfying or challenging in your role?

Working in a motivating environment in which managers and juniors alike challenge each other to get the job done effectively. As well as the ability to learn and grow within the corporation.

How long have you been a CREW member and what do you get most out of being a member?

I just joined Toronto CREW starting in 2019.

I would like CREW members to call me whenever they need . . .

...a stronger understanding of the office and industrial industries within Canada.
