Where do you work and what is your role there?

I am one of four inaugural Leadership Program associates with Cadillac Fairview. Over the course of three years, I will rotate through four different roles to gain a holistic view of the organisation. Currently I work in Office Property Management at TD Centre. My next rotation will be with our Toronto Office Portfolio's Leasing Team/

What areas of commercial real estate do you specialize in?

Currently Office Property Management. My future rotations will be in Office Leasing, Retail Leasing, and Retail Property Management

What do you find is most satisfying or challenging in your role?

The most challenging aspect of my role is also what is most satisfying: having the opportunity to work with many different teams across different functionalities.

How long have you been a CREW member and what do you get most out of being a member?

I am new to Toronto CREW this year. So far it has been a great way to connect with talented, interesting industry professionals. I feel grateful to have joined just as my Commercial Real Estate career is beginning.

I would like CREW members to call me whenever they need . . .

...a fresh perspective; an outreach channel to young professionals.
